

MOF PROCUREMENT PROFESSIONAL PROGRAMME (P³)

ABOUT THE ARCHETYPES

THE STRATEGIST

ALWAYS THREE STEPS AHEAD!

NATURE Judgement Foresight Precision

The Strategist is a **big-picture thinker** with a sharp instinct for **risk** and a natural ability to exercise **judgement**. You thrive on **balancing compliance with operational efficiency** and backing your decisions with **evidence**. In procurement, that could mean translating policy into practical solutions and improving existing processes to create value.

THE AMBASSADOR

TRUST IS THE BEST LEVERAGE!

NATURE Partnership Influence Rapport

The Ambassador is a **trusted partner** with a natural ability to **build relationships** and **collaborate**. You thrive on bringing people together and **finding solutions that work for everyone**. In procurement, that could mean positioning procurement as a strategic partner and building partnerships that enable long-term value.

THE STEWARD

NEVER THE ONE TO CUT CORNERS!

NATURE Integrity Accountability Fairness

The Steward is a **trusted advisor** who prioritises **fairness** and commits to **responsible stewardship**. You thrive on doing things properly and interpreting policy with **judgement**. In procurement, that could mean identifying risks, translating policy into practical solutions and helping stakeholders collaborate.
